Question Starter Card for the 12th Day of School - Adapt questions to any day. See *Every Day Counts* '05, p. 25-26, for more questions to add to back of card.

Coin Counter – 12th Day of School (Adapt to any day.)

**Grade 2
Aug or Sept**

If today is the 12th Day of School, how can we show today's amount using a dime? (A dime and two pennies)

How can we write 12 cents using a cent sign? (12¢, "Twelve cents.")

How can we write 12 cents with the dollar sign? ($0.12, "Zero dollars and 12 cents of a dollar.")

If we were to spend 7¢, how much money would we have left? How did you get your answer?

Can you think of another way to make 12 cents? (12 pennies, a nickel and 7 pennies, or 2 nickels and 2 pennies)

How many more days until we get our next nickel? Until our next dime?

What coins will be in the Coin Counter on Day 15? Day 17, Day 20? Day 24?
