

Daily Domino – Beginning of the Month

**Grade K
OCTOBER
or Month 2**

What numbers have we made so far? What was the last number of dots we colored in?

What number do you think we will work with today?

I've outlined some dots. How many do you see?

What will help you remember there are ____ dots on this domino? What do you notice?

What do you think of when you think about today's number? Does anyone have story to tell using ____?

If I take off the numeral cards and mix them up, can you match them back up with the right dominoes?

If I mix up all our domino pictures can you put them back in order?
