

**Question Starter Card** – If you start school in the summer and are using the August pieces, adapt questions to go with the August *green and yellow squares*. See *Every Day Counts*, 2005 edition, pages 18 - 21 for questions to add to card.

## Calendar – End of the Month

**Gr. K  
AUG / SEPT**

---

Can you think of one thing you have noticed or learned from our Calendar?

---

Can you name a day of the week and tell what day would come *next*?

---

Can you name a day of the week and tell what day came *before* that day?

---

What are the names of our "stay-at-home" weekend days?

---

What days do we come to school each week?

---

Can we read all the numbers from 1 to 30 on our September Calendar?

---

Can you name a number that you see and then tell us the number that comes next (or the number that is one more)?
