

Weather Graph – Beginning of the Month

**Grade 1
OCT. or
Month 2**

What do you see when you look at our October Weather Graph?

What does our graph tell us about October Weather?

Does our sample have more ____ days or ____ days?

Does our sample have fewer ____ days or ____ days?

How many more ____ days than ____ days have we had so far?

How many sunny and partly sunny days have we had?

How many markers are on our Graph? How many days have we graphed the weather in October? Are these *all* the days in October? (No, therefore it's only a sample.)
