

Clock – Day of School 38 (Adapt to any nearby day)

**Grade 1
OCTOBER
or Month 2**

Let's count the minutes that we have colored in so far and clap on our last five-minute mark. (5, 10, 15, 20, 25, 30, **35** w/clap, 36, 37) As we color in our next minute, let's count on. (**37**, 38) How many minutes in all? (38)

If we move the minute hand ahead two minutes, where will the minute hand be? (At 40 minutes) How many groups of five will we have then? (8)

How many minutes have we moved ahead since Day 30? (8)

Can we count our tally marks the same way? Let's try. (5, 10, 15, 20, 25, 30, **35**, 36, 37, 38) How many more do we need to make another group of five? (2)

How many groups of five do we have so far? (7)
