

Question Starter Card – Any early December date.

Calendar – Beginning of the Month

**Grade K
DECEMBER
or Month 4**

What do you notice when you look at this month's Calendar? What makes a triangle a triangle? (three sides and three corners)

What color and shape do you think will show up tomorrow? Why do you think this?

What day of the week is today? Yesterday was what day of the week? What day of the week will tomorrow be?

How many days until our next Friday? What color and shape will that Friday be?

What shape do you think Vinh's birthday will be? A triangle or a square? How do you know?

Can you say all the months of the year beginning with January? What is the last month of the year?

Since December is the last month of the year, our Calendar pieces show the last days of this year. How can we figure out how many days are left this year?
