

**Clip Collection – Day of School 58**

**Grade K  
DECEMBER  
or Month 4**

---

How many days have we come to school so far this year?

---

When we add today's paper clip, how many clips will we have?

---

How many chains of ten do we have? How many extra clips?

---

What do we say as we write the day's number? (5 chains of ten and 8 extra ones.)

---

How many more clips do we need to finish another chain of ten?

---

If we take away all the extra ones, how many clips will we have?

---

If we take away four chains of ten, how many clips will we have?

---
